

Nursery Home Learning-Week Beginning 13th July 2020

Tuesday

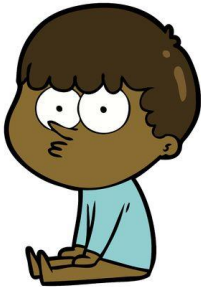

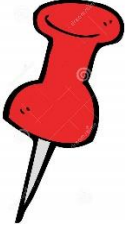

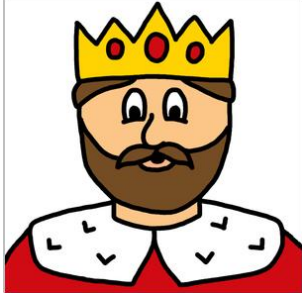

Hello children and your grown-ups, we hope you are all well and staying safe at home. Below are your Nursery home learning tasks for today, including a special mission at the end for you to have a go at, if you want to. It's great to see that some of you have been sharing your work on Twitter so if you'd like to share any examples of your work for your teachers or friends to see you can do this on Twitter by tagging @devnursery. Have another great day!

Phonics

We are going to try practising to blend all the sounds we have learnt to make some words. Down below are some of the sounds we have learnt.

s a t p i n g o c k d

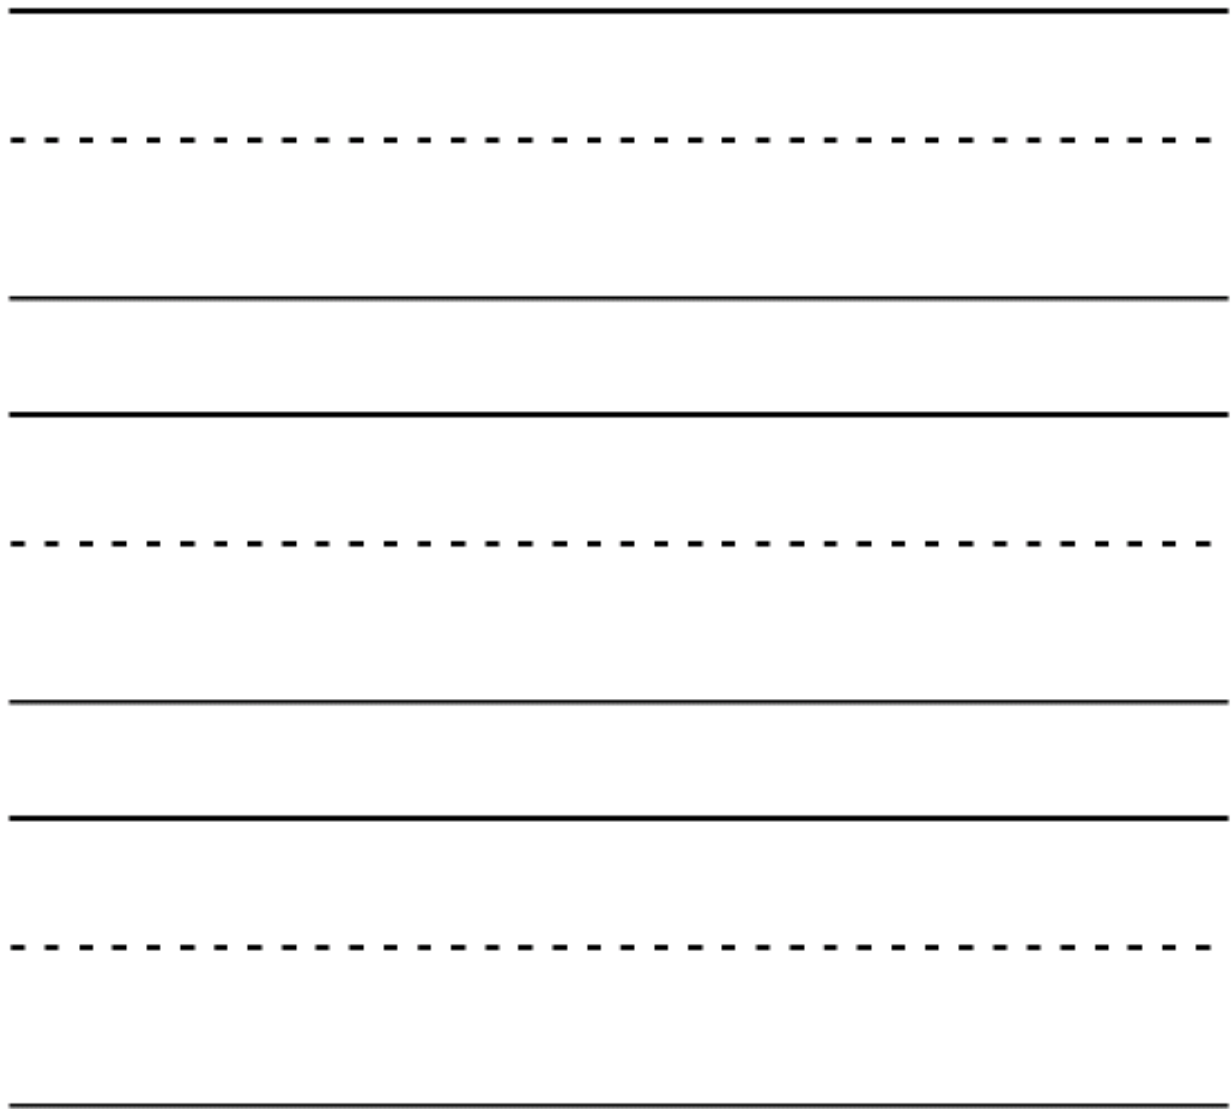

Lets work together and blend some sounds to make some words. Start by deciding what the picture is of, then use the sounds you can see to work out which sound is missing. Good luck!

 s _ t	 _ a t	 p i _
 _ o g	 c _ t	 d i _
 S _ n g	 _ i n g	 p _ g

Have a think and work with your grown ups to sound out the letters to make more words. Have fun and remember to listen carefully using your amazing listening skills.

English

We spend a lot of time in Nursery learning to recognise and write our names, which is a very important skill ready for Reception. Down below can you have a go writing your name? Take your time holding the pencil correctly and following the different shapes your letters have.

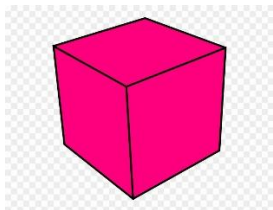

The image shows a handwriting practice area with three sets of horizontal lines. Each set consists of a solid top line, a dashed middle line, and a solid bottom line, providing a guide for letter height and placement. The lines are evenly spaced and extend across the width of the page.

Maths

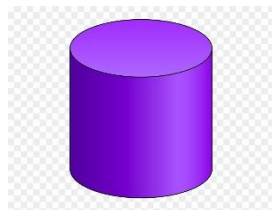

This week we are recapping the 3D shapes we have learnt. Below can you match the shape with it's name? There's one extra for you to learn here too!

Cuboid

Cylinder

Sphere

Cube

Pyramid

Special Mission

Your special mission for this week is to identify each of the 3D shapes down below. When you have finished you can colour it in.

Name _____

© Max Drafts

3D SHAPES

Write what shape each real life object is.

cube

pyramid

cylinder

cone

sphere

rectangular prism
