Reception Work to support your child at home PHONICS

Below are some examples of how you can support your child at home with their phonics knowledge.

Children learn best with daily practise and by repeating the learning.

This week we are going to practise sounds we have learnt and try and write some words using the sounds we know! Each day there will be a set of sound for you to practise saying, writing words and reading.

Set 7 sounds: ***y, z, zz, qu***

Say each sound in the words to help you read them.

Challenge - can you say each word in a sentence?

An even **bigger** challenge, can you write a sentence using each of the words you read?

y, z, zz, qu

Y yet, yap, yum, yell, yippy

Z Zap, zip, zack, zoo, zoom, zig-zag

Zz Buzz, fizz, fuzz, jazz

Qu quiz, quick, quack, quill,

You need to practise these tricky words every day so that you can read and write them:- ***Some, one, come, were, have, there, out, like, little, what, he, she, we, me, be, was, my, you, her, they, all, are***
