

## Nursery Home Learning- Week Beginning 29/6/20

Tuesday

Hello children and your grown-ups, we hope you are all well and staying safe at home. Below are your Nursery home learning tasks for today, including a special mission at the end for you to have a go at, if you want to. Remember to share on Twitter if you can @devnurseries. Have another great day!

### Phonics

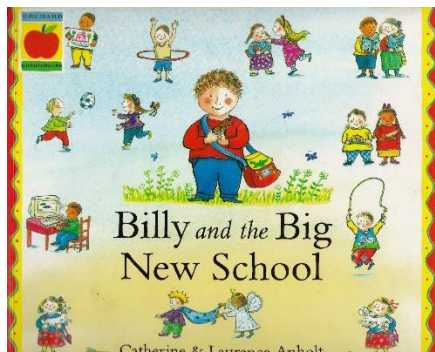

We are learning the letter 'C' this week. Down below I have put some pictures with words next to them. Can you think of a rhyming word for each that begins with a 'c'? Remember to break down the word into the letter sounds to help you to sound them out, and get a grown up to help with the trickier ones! I have done the first one to help you out. Why not draw a picture to go with each word you think of? You could even make up some rhymes that don't start with 'c' if you'd like a challenge!

 <b>Bat</b>	 <b>Cat</b>
 <b>Book</b>	
 <b>Lake</b>	
 <b>Boat</b>	
 <b>Tap</b>	
 <b>Jar</b>	

## English

This week the book that we are looking at is called Billy and the Big New School. With the help of your grown up you can search the story on youtube and listen to it.

<https://www.youtube.com/watch?v=HBghQZLzkUQ> or you can see Mrs Patton reading it on Twitter.

In the story Billy is worried about going to school, so he talks to his friends, the birds. Sometimes it helps to talk about your worries so at the website below are the instructions for making your own worry doll or monster who you can tell your worries to. <https://patchworkcactus.com/diy-worry-dolls-halloween-style/>

## Maths

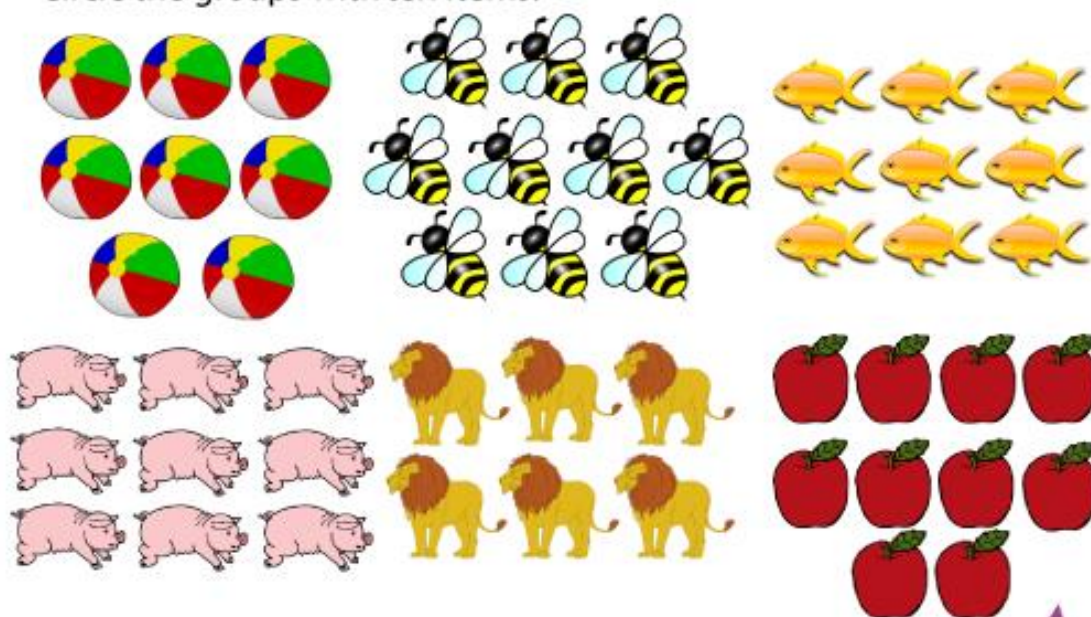

We are learning the number 10 this week. Can you practise writing and counting out 10? It may help you to use something to count the numbers up to 10 like beads, blocks or toys.

# Number 10 Worksheet

Trace the number 10.

10	10	10	10	10	10
10	10	10	10	10	10

Circle the groups with ten items.

## Special Mission

Nursery children, we need your help! When you move into Reception, we will have new children in Nursery, children who will be a bit worried and unsure, just like you were, so can you help us to get them excited about starting school too? Your special mission for today is to think of the things you like to do best in nursery. Your favourite thing goes at the top and you work your way down the pyramid.

A few tips to help you get started:

- What activities do you like playing with?
- Who is your best friend?
- What is your favourite fruit during snack time?
- Which story do like to listen to?

Think about all the lovely things you like to do dancing, yoga and outdoor play and list them down below. Colour it and keep it safe and you can look back and it see if your favourite thing has changed and if you can share it with us, we can use it to help our new children too! Thank you!
