

Nursery Home Learning- Week Beginning 13/7/2020

Thursday

Hello children and your grown-ups, we hope you are all well and staying safe at home. Below are your Nursery home learning tasks for today, including a special mission at the end for you to have a go at, if you want to. Don't forget to check Twitter for helpful tips and ideas @devnursery.

Phonics

Today we would like you to practice writing all the sounds you have learnt this year! We can group them according to the writing pattern we use to help us write them (see Mrs Patton on Twitter to demonstrate this @devnursery)

Stir the pot letters: s a d g o c

Bouncy shape letters: p n m k

Long line letters: t i

English

Today we would like you to think about when questions. If you feel like a real challenge you could link this to time, but it's best to start simple with questions such as:

When do we eat breakfast?

When do you wear your pyjamas?

When do you brush your teeth?

You could even introduce a simple timetable showing what happens during the day, like the one we use in the nursery and then you can talk about after or before, for example...

What do we do after eating our dinner?

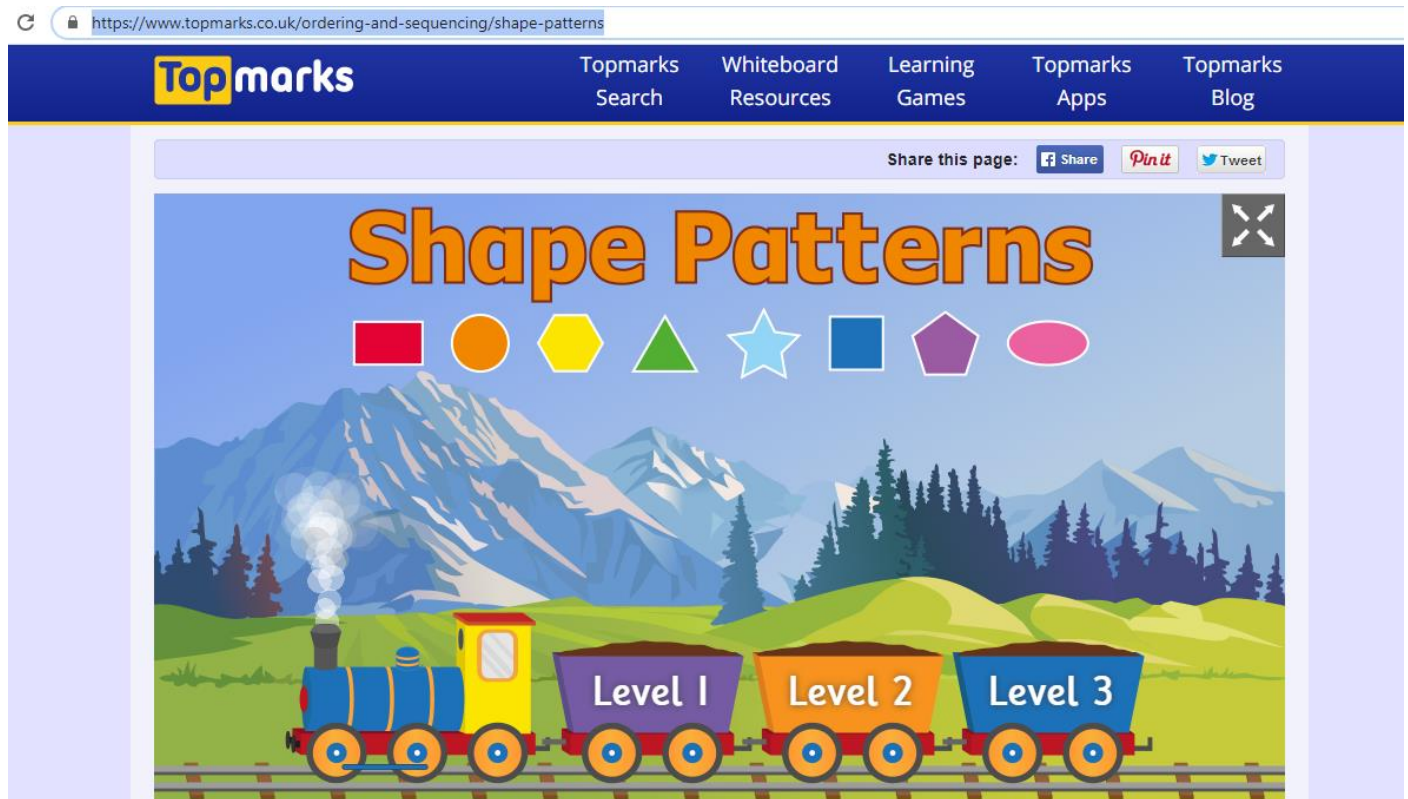

What do we do before we get into bed?

Being able to answer when questions and talk about time in such a simple way is very important and allows children to better understand routines, which will be very important when they go into Reception.

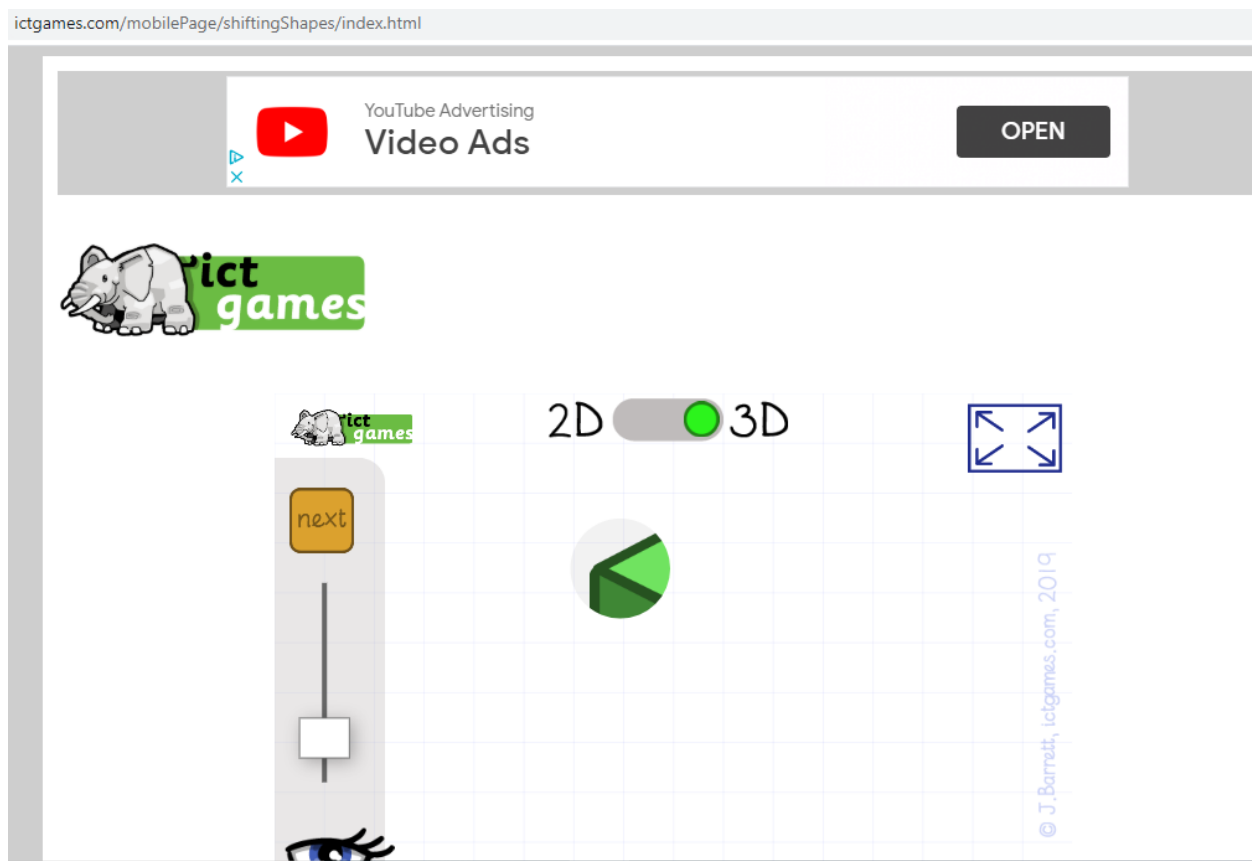

Maths

Why not practice your shape knowledge alongside your work on patterns? There is a great game here which focuses on 2D shapes and colours: <https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns>.

Or you can practice identifying and naming 3D shapes here: <https://www.ictgames.com/mobilePage/shiftingShapes/index.html>

Special Mission

Below is a very special certificate for you to fill out with your grown up. Start by writing in your name. Then choose the 1 thing you are proudest of learning in your Nursery year and get your grown-up to fill it in on the certificate. Now is a great time to celebrate your achievements, you've done amazing things and we are so proud of you. If you can, share a photo of you holding your certificate on Twitter @devnurseries.

This certificate is awarded to

because in Nursery they learnt

LJ Patton
