### **Reception Work to support your child at home PHONICS**

*Below are some examples of how you can support your child at home with their phonics knowledge.*

***Children learn best with daily practise and by repeating the learning.***

**Day 3** –Read each sentence below, find the **oi** sound in each sentence and write the words with these sounds. How many words did you find? Can you write your own sentences using the same words.

Challenge yourself to think of some different words with this sound and have a go at writing them or clap them to your grown up.

For example – **coin** would be two claps for the sounds you say **c oi n**

#### **Yes/ no questions**

1. Will four coins fit in a purse?
2. Do you boil a flower?
3. Can you plant some seeds in the soil?
4. Is foil hard?

Read these sentences.

1. Jack went to the top of the hill to get some soil.
2. My friend likes to play with the skipping rope.
3. We went shopping and paid for the sweets with our coins.

**Work to support your child at home- LITERACY**

- This week we continuing to focus on the story 'Farmer Duck'. You can find the story by following this link:  
[https://www.youtube.com/watch?v=qaPrR\\_IWmog](https://www.youtube.com/watch?v=qaPrR_IWmog)
- Yesterday you made the story your own by adding in your own ideas and writing your new sentences.

What were your sentences?

**Day 3-**

- Today, your challenge is to see if you can add any more sentences of your own?

So **yesterday's example** sentences were:

There once was a goat and a lazy farmer. First, the goat got the donkey from the field. Then, the goat got the rabbit from the hill. After that, the goat was grumpy. Finally, all the animals made a plan.

Today, here's what I'm going to add to my **example**:

The donkey and the rabbit woke the lazy farmer up and chased him away. Then, they all worked together to get the work done.

**Now it's your turn! What are you going to write?**
